Student Workshops for 11th Grade SUHSD Students: WHAT TO EXPECT ON THE SAT and ACT

- ◆ **To qualify for admission to a four-year college or university, students must take an SAT or ACT.** It is recommended they take the test during the spring semester of 11th grade. We strongly encourage students to participate in a **free preparation workshop** to prepare them to take these important exams.
- ◆ **Target Audience:** Students in the Class of 2013 (juniors). Parents are welcome, but not required to attend.
- ◆ **Items to be Covered in either Informational Session (1/19 or 1/21):** the difference between the SAT and the ACT and which will suit each student better; which colleges require the SAT Subject Tests in addition to the SAT/ACT and what subjects are offered; how the tests are structured and scored; tips and strategies for performing well; how to prepare for the **ESSAY**. The two Informational Sessions will be identical so you should only attend **one**.
- ◆ **Workshop on Saturday, 1/28/12: ACT sample problems and preparation.** If you can't attend, there will be a Make-up ACT Preparation workshop on April 28, 2012.
